4. Service Credits

If monthly NovaCloud uptime falls below the committed level, the customer is eligible for a service credit on the next invoice:

- Uptime between 99.0% and the committed level: 5% credit.
- Uptime between 95.0% and 99.0%: 10% credit.
- Uptime below 95.0%: 25% credit.
- Credits are capped at 25% of the monthly fee and must be claimed within 30 days of the incident.

5. Warranty and Returns

- AquaSense devices carry a 24-month warranty from the date of purchase covering manufacturing defects.
- The warranty does not cover physical damage, water ingress beyond IP rating, unauthorised repairs or sensor wear (probes and DO membranes are consumables).

• Return Merchandise Authorisation (RMA): raise a ticket with the serial number; an RMA number is issued within 1 business day. Ship within 7 days of receiving the RMA number.

• Refunds are available within 30 days of delivery for unused devices in original packaging, less a 10% restocking fee.

6. Escalation Path

Level	Contact	When
Level 1	Support engineer	All new tickets
Level 2	Senior engineer, Priya Nair	Ticket not resolved in 50% of target time
Level 3	Head of Support, Arjun Rao	P1 tickets or customer escalation
Level 4	VP Customer Success, Meera Iyer	Contract or repeated SLA breaches

7. Frequently Asked Questions

How do I reset my NovaCloud password? Click "Forgot password" on the login page; a reset link valid for 30 minutes is emailed to you.

How long is sensor data stored? Raw data is kept for 13 months; hourly aggregates are kept for 5 years.

Can I export my data? Yes. Use Dashboard, Reports, Export to download CSV or Excel. API access is included in Standard and Premium plans, limited to 1,000 requests per hour.

Do you support integration with other systems? NovaCloud offers REST APIs, MQTT and webhooks, and has connectors for Power BI and Tableau.
