New Employee Onboarding Guide

NovaTech Solutions Pvt. Ltd. | Version 2.0 | 2026

Confidential. For NovaTech employees and authorised partners only.

1. Welcome

This guide helps new NovaTech employees through their first 90 days. Your onboarding buddy and your manager will support you throughout. HR contact for onboarding: Sneha Reddy, onboarding@novatech.example.

2. Before Day 1

• Submit documents (ID proof, address proof, education certificates, previous employer relieving letter) within 3 days of accepting the offer.

• Your laptop is shipped or kept ready at reception. Email and NovaHR credentials are sent to your personal email on the evening before joining.

3. First Week Schedule

Day	Activity	Owner
Day 1	Welcome kit, ID card, HR induction at 10:00 AM, laptop setup with IT	HR and IT
Day 2	Information security training (mandatory, 2 hours); MFA setup	Security team
Day 3	Product overview: AquaSense, AirPulse, ColdTrack and NovaCloud	Product team
Day 4	Meet your team, tools access (Jira, GitHub, Slack)	Manager
Day 5	First-week feedback with onboarding buddy	Buddy

4. Tools and Accounts

Tool	Purpose	Who Provides Access
Slack	Team chat	IT
Jira	Task and sprint tracking	Manager
GitHub	Source code	Engineering lead
NovaHR	Leave, attendance, payslips	HR
NovaExpense	Expense claims	Finance
NovaGPT	Approved internal AI assistant	IT

5. Probation

The probation period is 90 days. A review takes place at 45 days and at 90 days. Confirmation letters are issued within 7 days of a successful final review. During probation, notice period is 15 days instead of 60 days, and Earned Leave does not accrue until confirmation. Casual and Sick leave are available from day one on a pro-rata basis.

6. Mandatory Training

• Information Security Awareness: within 3 days of joining, repeated annually.

• Prevention of Sexual Harassment (POSH): within 30 days of joining.

• Code of Conduct: within 14 days of joining.

• Role-specific training plan agreed with the manager in week 2.

7. 30-60-90 Day Goals

• 30 days: complete all mandatory training, understand team processes, deliver a small starter task.

• 60 days: own a feature or workstream with guidance, present at the team demo.

• 90 days: work independently, set goals for the next quarter with your manager.
